WHAT'S NEW: [1* Edition]

The Vancouver Sun [Vancouver, B.C] 12 Nov 1991: D11.

Abstract

Pacific Granistone Manufacturing Inc. of Delta which produces, distributes and fabricates marble, granite, onyx, travertine, limestone, quartz-based stone and slate has been admitted to membership in the Marble Institute of America, an international trade promotional association formed in 1907.

Full Text

B.C. Tel and Bentall Development have established a joint satellite office in Langley on a 10-month trial basis, the first in Canada. Fifteen employees who live in Langley can now avoid their usual commute and help alleviate problems associated with commuting - traffic jams, lack of parking, pollution, expensive road maintenance and the high cost of mass transit.

G.S. Lerick & Associates Inc. Personnel Consultants has introduced Job*Person*Match to Canada. The program identifies and matches preferred behaviors of people and the required behaviors of jobs which results in happier employees.

Daryl MacAskill has opened DGM Consulting at 5192 Elsom Ave., Burnaby. The company provides assistance in all areas related to the GST. Phone 351-1731 (cellular) or leave a message at 437-5145.

Pacific Granistone Manufacturing Inc. of Delta which produces, distributes and fabricates marble, granite, onyx, travertine, limestone, quartz-based stone and slate has been admitted to membership in the Marble Institute of America, an international trade promotional association formed in 1907.

HANDOUTS

WESTERN ECONOMIC DIVERSIFICATION LOANS

Custom Metal Alloyers Ltd. of New Westminster which produces specialized zinc and aluminum parts for the marine industry has received a \$21,500 loan to launch a quality assurance program to ensure it is more competitive in the international marketplace.

Rypac Aluminum Recycling Ltd. of Surrey, the only secondary non-ferrous melting and alloying operation west of Toronto, will receive a \$275,000 loan to overhaul and upgrade its operations, enabling the company to access new export markets with a wider range of products and improve efficiency.
