**Re: David HABIB  
Letter of Reference**

This reference letter is being written in regards to David HABIB, birthdate 22 Sep 1960. I have known David HABIB for the past 9 years. I can confirm David HABIB does not have any criminal convictions.

Mr. HABIB is the owner operator of the Kelowna Boxing Club. He works with troubled youth and is a very positive role model, coach and mentor for many of the young men whom he coaches. He was selected as the coach for the 2011 Canada Winter Games in Halifax, Nova Scotia. I personally saw first hand the team building and positive influence he was for many of these young competitors. Self esteem is often a character flaw with troubled youth and I witnessed first hand his efforts with these young athletes and how David HABIB had improved their skills in boxing but more importantly the confidence of these young men.

I commend David HABIB for his efforts in this regard.

Yours truly,

W.A. McKinnon  
Superintendent  
Officer in Charge  
Kelowna Detachment
